What part of this distraction will overturn the election fraud? If the election stands none of these people will ever serve a day in prison. Trump has all this. You're wasting our time with rabbit holes. Please stay focused on the prize

▼ A civil war is about to start in the Capitol of the US and you are caught up in a distraction. I tell you right now, nothing codemonkeyz Ron will post is going to put anyone in jail. Grab a fucking rifle and join us and stop playing these games.

▼ Yes well now we have it too. You can't spend 5 minutes to read it then go back to the election?

▼ Is this article prevent a 1 million man march on DC today? No. I personally welcome a distraction from " I am 150 miles from DC folks " " Can I get some high fives? " been nothing but noise on here for 2 days
